

Children and Teens: Tips for Getting Started at Your Camp...

Vacation Bible Schools, Teen or Family Camps, and Retreats for Individuals with Disabilities are great opportunities to explore God's Word in a different setting.

- Review the introductory video at www.resourcewell.org/children-ministry.
- Focus on one Bible story. For a list of Bible stories, view the Scope & Sequence.
- To view the 5-day study, Scout About, go to Other Resources at www.resourcewell.org/children-ministry/other.
- Each of the 3 years in The Worship, The Word & The Way curriculum includes a Camp Venture adaptation of the standard lessons. This version creates a camp-like environment and includes more games, as well as a unique presentation of the stories. To view the Camp Venture adaptations, go to Units 5 and 6 in Years, 1, 2 and 3.
- For brief presentational gatherings, browse Other Resources at www.resourcewell.org/children-ministry/other and click on Salvation Messages, Lenten Study, or Advent video.
- For music classes, teach some of the 60 Bible Memory Verse songs at www.resourcewell.org/children-ministry/verses and perform them at a closing celebration on the last day of your camp.
- Be sure to download and if possible, print the Children's Guide for New Believers at www.resourcewell.org/children-ministry/other. This booklet is helpful in leading a child to a personal relationship with Christ. It is an excellent gift for any child who receives Christ as Lord and Savior.
